Sailing Program - Summer 2010

We enclose with this letter your Registration, Health & Indemnity Form plus the Sailing Instructions for our tenth summer's sailing program in Tenants Harbor, for those who live on the St. George peninsula.

Please complete a separate form for each junior whom you wish to enroll and return it/them to the Foundation as soon as possible, along with a tuition check made out to the Foundation. If payment at this time is not convenient, please make sure to send your check prior to July 1, 2010. We have scholarship funds available. If you are interested, please call me at 860-434-5356 before June 13, at 207-372-8008 after that date, or call Craig Wilgus at 207-372-8650. **Copies of these forms are also available on our website, www.StGeorgeSail.org.**

We expect to be full again this year, so please send your reservations promptly. Please contact me by email or telephone if you have any questions.

Our Head Instructor this summer is Peter Anderson, assisted by Blair Southworth, Will Gibney, and Zach Beaulieu, all returning from last year. Briggs Hupper will be our new Junior Instructor. In 2010 we will operate entirely from Blueberry Cove Camp, working in close collaboration with our partner, Tanglewood 4-H Camp and Learning Center, in Lincolnville.

It promises to be another exciting and fun-filled summer. We will co-sponsor the Eighth Annual St. George Maritime Day on Saturday, July 24, continuing the Row and Paddle Rally in the morning and sailing races in the afternoon. We will also continue our home-and-home racing afternoons with Atlantic Challenge, each week in Rockland, as well as traveling on some Wednesdays for racing with the Maine Interclub Racing Circuit.
